11.3. *Identical benefits by way of incentives* enjoyed by the unit from any other department of the State/Central Government shall, however be adjusted from the eligible IPA amount, if any.

12. Mode of Payment and Operational Procedures:

No claim shall be entitled if it is found that the concerned unit defaulted in the matter of payment of VAT dues under the West Bengal Value Added Tax Act, 2003 and the Central Sales Tax Act, 1956. Payment of such incentives shall be governed by the procedure laid down below.

12.1. All the entitlements under different heads of admissible incentive (except WED) due for the respective year will be credited to the account of the eligible unit towards advance payment of VAT/CST for the next year.

12.2. An eligible unit, however, will not be entitled to any of the aforesaid benefits in respect of goods sold by it which was not manufactured in the said unit.

12.3. Such payments would be continued for the period outlined in this scheme or till the financial cap is reached, whichever ends earlier; and the period shall not be extended further even if any balance entitlement remains at the credit of the unit at the time of expiry of the period as above.

12.11. **Verification by WBIDC:** Before disbursement of incentives, WBIDC will make necessary verification to ensure that the nature of activities of the unit continues to be the same and the units are in operation. In case of HPL Downstream projects, it will have to be ensured that the unit continues to procure its raw materials from HPL. Annual Certificate from HPL will be necessary. HPL will specify the annual amount of raw material to be procured by a downstream unit, based on the assessment of the nature of the project. Lifting of the raw materials against MoU of long term supply contract will be periodically reviewed.

The eligible industrial units shall furnish quarterly status report (Annexure-III) in the enclosed format to WBIDC with a copy to DI till final disbursement is made.
